Submetering, Energy Monitoring, Flex I/O, Line Voltage Power Supply, NEMA 4X Enclosure

Flex I/O Module with line voltage power supply, NEMA 4X enclosure, for Submetering

Leviton VerifEye™ NEMA Communication Bundles combine VerifEye's Data Acquisition submetering products into one enclosure for a Leviton exclusive, all-in-one-bundled communication solution for indoor use. All VerifEye submetering NEMA communication bundles have one part number and are factory pre-assembled for ease of ordering eliminating the need for field assembly.

Do you have a question about submetering?
