

Catalog No. PM6020C

Description: LOAD CTR MCB 200A 60CKT N1 GRAY PON

UPC No 783175893782

Home > Load Centers > Load Centers

PowerMark PRO main breaker plug-on neutral load centers arrive with a main circuit breaker installed for a convenient and swift install. Main circuit breakers allow for the user to stop the flow of electricity in the load center, shutting off all the power in the residence. The PM6020C features spaces for 60 - 1" circuit breakers and 120 circuits, a 200-ampere bus rating, copper bus bars, and a gray combination/flush enclosure.

Descriptors

Category	Load Centers
GO Schedule	RI
Grouping	Single Phase - USA

Specifications
