## 4 In. Square Exposed Work Cover, 2-Duplex

Catalog #:  
907C

### FEATURE BENEFIT

Ideal for exposed work environments to support a variety of electrical devices. Our exposed work covers are made from heavy duty, 16-gauge, galvanized steel and come in 19 configurations to fit your needs.

### PRODUCT FEATURES

- Exposed work covers include driven screws and break-off lock nuts
- Exposed work covers meet the requirements of the 2020 NEC Article 250.146 (A).  
No bonding jumper is required for covers with: (1) Crushed corners (2) Two or more device attachment fasteners that are permanent with thread-locking, screws, or nut-locking means (3) Insulating retaining washer removed for at least one device attachment screw
- Hardware and cover are packed with printed catalog number, compliances and installation instructions

### APPLICATIONS

Surface covers are used to support switches or receptacles in areas where the box is surface mounted or positioned in exposed work applications.
