Leviton Network Solutions Warranty Information

U.S. Product Warranties - Quality is a way of life at Leviton, and we take great pride in delivering the highest performing and most reliable products on the market. All our products are designed, engineered, and manufactured to strict standards, backed by industry leading product warranties.

U.S. System Warranties - When your Leviton system is installed by a Leviton Certified Contractor, we offer extended product and performance warranties, your assurance that your certified structured cabling system performance will exceed all relevant global cabling system standards.

U.S. Approved Cable Manufacturers and Warranty Levels - Warranty levels for systems installed by Certified Contractors using approved cabling. Approved cabling includes Leviton*, Berk-Tek, Belden, Commscope, General, Hitachi, Mohawk, and Superior Essex.

Applies to Leviton pre-terminated fiber and copper trunks and harness assemblies available in North America and Leviton bulk cabling available outside North America.

International Warranties - Product and System Warranty information for Network Solutions products purchased and installed outside the U.S.

Should any warranty-related issues arise, we will work directly with our contractors and customers to resolve any issue. Leviton's technical support personnel, application engineers, product managers, contractor program managers, and quality engineers are all tasked with quickly resolving any and all warranty-related field issues.
